

Mobile Heat Seal T-shirt Printing Services

Bulldog Custom Tees specializes in Screen Printed Heat Seal Transfer on-site apparel customization printing for our local events customer.

Our on-site Screen Printed Heat Seal Transfer printing is designed to provide your event patrons with customized imprinted merchandise printed on-site with pre-designed graphics created just for your event.

With our mobile services, we take care of the event merchandising and selling for you.

EXPERIENCE: Bulldog Custom tees began their on-site printing in 2011

NO COST-NO RISK-NO FINANCIAL OBLIGATIONS: You make a percentage of the money based upon sales.

- No volunteers needed, our professionally trained staff does all the work for you.

We not only generate revenue for your organization, business or club, our high-quality products advertise your event every time they are worn in public.

NO WASTE-NO LOSSES-ONLY PROFITS: Apparel is printed on-site allowing your customer to choose what he or she wants from the design choices, styles, colors, sizes chosen to represent your event.

We carry T-Shirts, Tank Tops, Tie Dyed, Long Sleeves, Sweats, Hats and other items. Our shirts are available in sizes from Youth Small to 5XL.

- Customers have many options to choose from when paying for their merchandise. Credit cards, cash and debit cards are accepted.
- Contact us with your event information using our "contact us" section on our web site
- Tell us the Time(s) and Location(s)
- Send us your artwork or we can create artwork for you. Once artwork is approved;
- We do the rest
